

THREE HARVARD ATHLETES FAIL

Football and Baseball Stars Are Dropped For Failure in Examinations.

Cambridge, Mass., March 8.—Harvard's football squad for next fall received a heavy blow Tuesday when three of its strongest candidates, captain-elect J. A. Gilman, of Honolulu, a guard, Thomas H. Enwright, of Fall River, and W. J. Holes, of Boston, both backfield stars, were asked by the college administrative board to withdraw from college because of failure to pass the mid-year examinations.

Enwright Has Chance.
Enwright, whose preparatory school record as a powerful back and great deep-kicker had led experts to pick him as the successor of Brickley and Mahan, still has a chance for reinstatement. If he attends the Harvard summer school for a required amount of study and passes examinations in September, he will be eligible to play.

Hits Baseball Squad Also.
The loss of Holes hits the baseball squad as well as the football eleven, for besides being a half-back he was one of the varsity pitchers. Enwright also has gained a reputation on the diamond.

Gilman's withdrawal especially leaves the Crimson football situation in an uncertain condition, for Harvard now is without captain or coach. Coach Haughton's contract has expired, and he has not yet announced his intentions for the fall. Gilman's playing last year made him a popular choice for the all-American football eleven.

Richard Harte, of Philadelphia, who played on the eleven last season, was second choice for captain at the meeting of varsity team members which elected Gilman in December. It was generally believed Harte would be elected.

PURSE SNATCHER ROBS TWO WOMEN

Grabs Miss Smith's Purse; Knocks Pocketbook From Mrs. Favy's Hand.

An unidentified Mexican snatched a purse containing \$28.25 in silver and other valuable articles from the hands of Miss J. Smith, of 302 North Florence street, as she was passing an alley, between Campbell and Kansas streets, on Boulevard, Tuesday night about 9 o'clock. So sudden was the attack of the man that the purse was torn from the hand of Miss Smith, and the assailant running down the street before she could utter an outcry.

Second Robbery.
About half an hour later the police department received a report that Mrs. H. Levy, of the Albany apartments, had been robbed of her purse while passing an alley near the Elks club, a man running out and knocking it from her grasp. Though only a slight description of the man was obtained, it is believed to have been the same one that robbed Miss Smith. Contained in the purse were two \$5 bills, a quantity of change, a watch and a powder case.

Homes Robbed.
L. Spradlin, of 614 Mesa avenue, reported that his home was entered Tuesday night and a quantity of clothing was taken. Two blankets, a shirt and two dresses were taken.

Burglars entered the home of J. P. Hutchinson in the McKinley apartment on Union avenue Tuesday night. They took a pearl necklace, \$2.50 in cash and other valuables.

Dr. M. R. Wesson, of 2727 McKinley avenue, reported that 20 feet of cotton hose had been stolen from his lawn Tuesday night.

G. W. Gray, 718 Myrtle avenue, reported that a watch and a pistol were taken from his home Tuesday afternoon.

HOME OF J. W. FLYNN IN JUAREZ ROBBED; QUILT USED

The home of J. W. Flynn, at 23 Lerdo avenue in Juarez, was broken into Tuesday afternoon while Mr. and Mrs. Flynn were in El Paso shopping. The burglars entered the house through the rear window and took all of the silverware, linen, clothing and a few cases containing a watch, jewelry and herlock.

They took a quilt and placed it on the floor, filling it with the loot and carrying it off.

BOXING COMMISSION IS GIVEN CENSURE

(Continued From Previous Page.)

approval to ideas which favor strongly of hippodroming.

We are with the commission in anything that adds to the gaiety of events, but even humor has its limits, and it strikes us that the board is lowering its dignity when it fosters a "marked" match, in direct conflict with its own rules, and permits a woman to engage in a boxing bout.

Granting that the last was strictly a press agent stunt, it seems to us that the commission might find a more serious complaint in preventing the wearing of fight clubs and in other affairs along similar lines. The boxing commission is supposed to be a big, important body, and with recent events is bringing us to the belief that the members view their functions with a great deal of levity.

If they are going to "hold" the boxing game, what can they expect of the game itself?

KLINGER BEATS CLASS B CHAMPION AT BILLIARDS

New York, March 8.—Playing his sixth and last game in the amateur billiard tournament here Tuesday night, Jacob Klinger, of Astoria, holder of the European class "B" title scored his only winning bracket. He defeated Francis S. Appleby, of the Columbia university student, who a few weeks ago, won the national class "B" championship. This also was the first defeat recorded against young Appleby, who was tied for the lead with the veteran player and former champion, Edward W. Gardner. Gardner now leads the field with four games won and none lost.

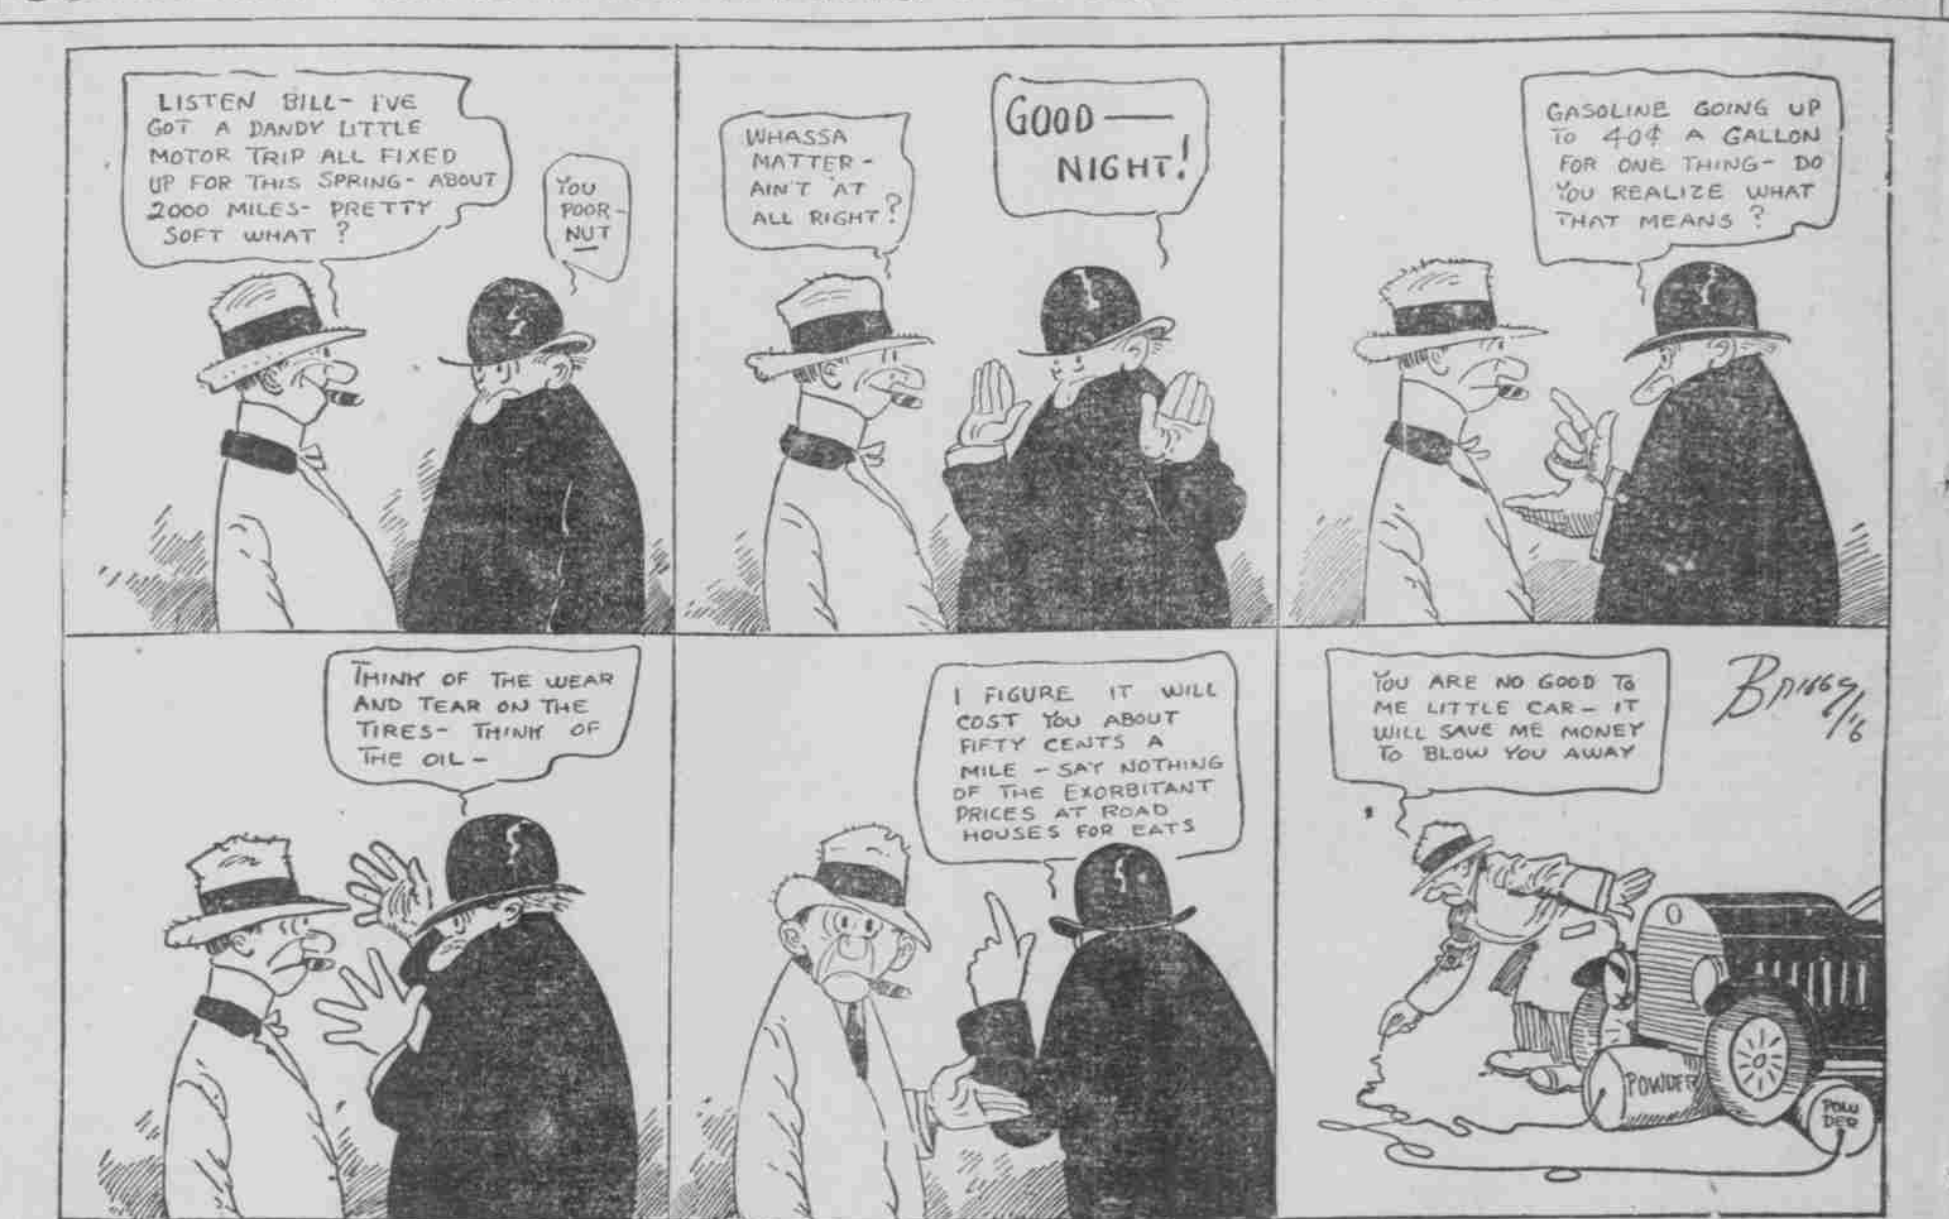

DOUGLAS GOLFERS WIN IN TRIANGULAR MATCH

Douglas, Ark., March 8.—The golf team of the Douglas Country club won the triangular match here in which Tucson, Ariz. and Douglas teams participated. Douglas made nine points, Blaine five and Tucson four. The course was difficult and a strong wind was blowing.

PUSH CART MAN ARRESTED.

A Mexican pushing a cart filled with a dog's bones was arrested on the south side and held as a suspicious character. He was taking the bones to the junk dealers.

'Healthgrams' On Skin--Flashed to Thousands

One of Nature's signals is an unhealthy skin. It is a scientific fact that the skin indicates the condition of the blood and the blood is the building material for the body and all its vital parts. Unless the blood is nourished and kept rich and healthy, it will eventually react on the organs it feeds and reduce the individual to a pitiable condition. Little do people realize the physical ailments that drain away strength and vitality and that can be traced straight to the poor supply of blood. Pimples, Eczema, Salt Rheum, Rheumatism, Carbuncles, Boils, Catarrh with its obnoxious results and the tendency to easily catch cold, Measles and scores of other equally serious ailments, are all manifestations of bad blood. For over 50 years S. S. S. has been a mighty remedy for these disorders. Thousands of men and women have been relieved or actually cured by S. S. S. Many of them had spent years and hundreds of dollars for other remedies in a fruitless endeavor to regain health—S. S. S. is purely vegetable and when taken into the stomach is absorbed by the blood, supplying certain elements which stimulate the action of the blood corpuscles and help them drive out impurities and build up the system. With such a tried and true medicine awaiting you at the closest drug store, will you go on suffering and looking badly when so many others similarly afflicted have turned to S. S. S. and found the meaning of perfect health. Our Medical Department will gladly advise you about your case without cost to you if you wish to avail yourself of this service. Though hundreds of patients have been sending us their friends, after being cured of Piles by our well known PENN INFILTRATION METHOD, we seldom publish testimonials, but do so in this case at the request of Mr. Lee:

THE DAILY RECORD-REPORTER.

E. R. Lee, Publisher, Room 209, Trust Bldg.

El Paso, Tex.

Dear Dr. Ketchersid:

I am today mailing you a testimonial which you may use in any way or manner you see proper, and if it will be of any help to other people I will be glad.

If all your treatments are as successful as in my case anyone suffering from Piles would certainly be glad to know of it, and anyone is at liberty to write or call on me in person and get a verification of this testimonial.

Yours truly,

E. R. LEE.

To Whom It May Concern:—

For the benefit of any sufferer from Piles, I wish to hereby state that about a year ago I went to Dr. Ketchersid, of the International Specialists for a very severe and painful case of Piles. I had been a sufferer from Piles for a long time, and had tried all kinds of treatment, salves, dilators, injections, without relief, and was very skeptical as to a cure. But I can say with pleasure, that after the first administration of Dr. Ketchersid's treatment, I had relief and in less than a week I was completely cured, in every way, and have not had the least trouble since I took the treatment.

(Signed) E. R. LEE.

We also treat successfully, without an open or cutting operation, RUPTURE, VARICOCELE, HYDROCELE, and OBSTRUCTIONS.

NERVOUS DEBILITY and AILMENTS OF THE BLOOD, KIDNEYS and BLADDER are also embraced in our specialty and under our up-to-date, direct methods the most satisfactory results are effected.
